3381 MATTERS ARISING: No matters were minuted.

3382 PLANNING:

a) Rise Estates, felling of tree in Main Street. Chairman read extract of email from Pauline Labourne in which she stated that the tree was allegedly causing damage to the old joiner's shop and the owners requested the urgent removal for this reason. Had a Conservation Area Notice been submitted to remove the tree, she would not have recommended a TPO to retain it, but a letter would be forwarded to the landowner to inform them of their duty to plant a replacement tree in place of the one removed. Noted.

b) Old Rectory, Grade 11 listed building. Chairman read extract of email from Malte Klockner (Building Conservation at ER) in which it was noted that they had not come across any alterations which would require Listed Building Consent and works shown did not harm the architectural or historic interest of the Listed Building and overall he was happy with the level of workmanship. In regard to the Pier in front of the gates, a photo had been sent to Highways to establish whether these required permission.

c) 17/00564/TCA Old Rectory, Fell Atlantic Cedar. Approved 5.3.17.

d) 16/02581/PLF-Lillands, revised information. Cllr Whittle informed the Cllrs that, at the Cttee Meeting on 27<sup>th</sup> February, both he and Cllr Mrs. Jefferson proposal refusal of this application and although no refusal was granted, a site visit by Planning Cttee had been recommended. It was noted that a further Cttee Meeting would be held at County Hall (after a site visit) at 2pm on 20<sup>th</sup> March and anyone may speak for/against this application for three minutes, but must first inform Jonathan Whyley. Chairman commented that on the website, the fourteen pages of ER comments were very fair with our comments taken into account.

e) Hornsea Garden Centre, bollards/car park. It was noted that the bollards were still in situ and they also had warning traffic signs at either side. Cllr Whittle reported that the Agent acting on behalf of the Garden Centre had indicated that they were in the process of submitting the necessary applications to discharge the condition on planning approval 14/00450/PLF (approval for the works being carried out on the site) and submitting a new application for the extra piece of car park which had been constructed with tarmac. ER would continue to monitor the site and keep Cllr Whittle informed. Noted.

3383 BROADBAND update. Chairman read email from Stephen Howdle in which we noted that the Council were expecting the next stage of funding modelling from BT later this month to set out which locations were due to be covered in BT's next roll-out phase which would follow on from the current phase 2 works. Stephen Howdle further confirmed that he was expecting a meeting with the Broadband Manager and would ask for a specific update for Sigglesythorpe to seek clarification of the timescales for the ongoing phase 2 works. Deferred.

Beachcroft, Claims Group in which it was noted that the insurers of the third party driver had sent the cheque for £100 to the wrong Parish Council and a further cheque had not been forwarded to us. A litigation team was now handling this, but Clerk instructed to write again to D.A.C. and request the immediate payment of £100 as this mistake was not of our doing.
